Iron Claw

### IRON CLAW Econ Cast 2.1 LH

Art.-No. 2732813  
EAN 4039507297473

#### Details

With the revised version of the Econ Cast, now model 2.1, we have added a little more equipment. The reel now has 5+1 ball bearings and a high speed ratio of 7.2:1. Of course, the equipment features, such as the magnetic brake system, etc., have been retained. The best thing is that here again we managed not to increase the price despite the additional features.

- ? 5+1 ball bearings
- ? Gear ratio: 7.2:1
- ? Aluminum spool
- ? Magnetic braking system
