Sänger

SAENGER Equalizer Kescher 2tlg./2,70m

Art.-No. 7313270
EAN 4039507267001

Details

Almost indestructible and a real eye-catcher! The extremely strong folding closure is made of robust metal and guarantees a long service life. The MaxForcer is also equipped with an anti-hook net with environmentally friendly rubber coating, which allows the hooks to be easily released from the mesh. It is also very gentle on the fish as it does not absorb slime or water. To avoid annoying smells, simply immerse it in the water and then shake vigorously. Thanks to the ergonomically shaped end handle and the Duplon front handle, the landing net fits perfectly in the hand. Landing net rod, frame and screws to lock the length are made of high-quality aluminum.

? Mesh size: 6 mm

? PVC Rubber Coated Mesh

? Color: Fluo Honeycomb green

? Anti Hook effect against unwanted snagging

? ""Anti Smell"" - net does not absorb odors < br> ? extra strong

? gentle on fish
